THE GLACIERS OF BRITISH COLUMBIA. ✓

Snow-covered peaks of the Northern Rockies;
how the great masses of ice were formed; why
mountain streams continue their flow to the sea.
Excellent for class-room discussion as well as for
home entertainment.

This document is from the Library of Congress
“Motion Picture Copyright Descriptions Collection,
1912-1977”

Collections Summary:

The Motion Picture Copyright Descriptions Collection, Class L and Class M, consists of forms, abstracts, plot summaries, dialogue and continuity scripts, press kits, publicity and other material, submitted for the purpose of enabling descriptive cataloging for motion picture photoplays registered with the United States Copyright Office under Class L and Class M from 1912-1977.
